Autumn on the Orient Express is a delightful small ornament sized kimono by Margaret Bendig. Using Silk N Color overdyed silk and coordinating Needlepoint Inc silks as well as a splash of metallic, this lovely design will be a delight to stitch. The choice of stitches showcases the luster and play of light on the silk. This project can also be done from your stash! Design size is 5x5 inches. The stitch guide is offered to SDANG chapter members at no charge! Simply fill out the registration form and mail to the address listed on the flyer. There will be a small postage fee to cover shipping costs as applicable. One stitch guide per chapter member please.

Registration Deadline July 15, 2018
