

911 Needlepoint Emergency

HELP I RAN OUT OF THREAD

An ounce of precaution is worth a pound of cure

How far will one yard of thread travel?

Recalling the Paternayan days in the 70's

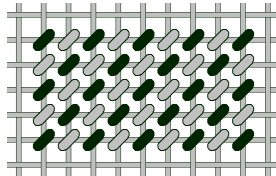

The power of a doodle canvas

The use of an acrylic grid to calculate square inches

Remember: Not all threads in your stash are still available

Transitioning from an Old Dye Lot to a Newer Version

Checkerboard for a single ply style

Blending a multi-ply thread to transition the color

1. (6 ply) old dye lot
2. (4 ply) + 2 ply new dye lot
3. (2 ply) + (4 ply)
4. (6 ply) new dye lot
