Jolly, is a whimsical small holiday design; the fourth in my series after Ho, Ho, Ho, Noel, and Joy. The “O” in Jolly is done with a fun “stitching button”; it has 64 holes and is stitched with a Jessica stitch & filled with pearls. The rest of the design – the letters (J,L, & Y) are stitched with interesting stitches and embellished with pearls. A beautiful filled Circular Bargello Ribbon border highlights the word, “Jolly”. There is also a narrow inner & outer-beaded border surrounding the Circular Bargello border. A white-on-white background design enhances the letters. Threads will include Petite Very Velvet, Neon Rays Plus, Petite Sparkle Rays, and Radiance 18. This intermediate level canvas embroidery design on 18ct. white mono canvas finishes to approximately 6” X 11”.

As this is a Pilot class, ghost stitchers are not allowed.
